This information is provided as a service and makes no claims of efficacy, safety or compliance on this product. Results are applicable only for the sample tested and for the specific test conducted. For information use only. The above test is reported in percentage by weight, milligrams per gram, or milligrams per final consumable weight. Detectable amounts below .07% are shown as TR (Trace). Amounts below .02% are considered undetectable and are shown as 0.00% (not found). Due to factors outside the lab's control, results may vary.
